Lions Club Constructs Ball Diamond at Village Park East of Soo Line

A first class baseball diamond is rapidly taking shape at the village park east of the Soo line tracks on Ida ave.

The Lions club is footing the bill in having the baseball field graded, leveled and the infield scraped ready for early use.

A backstop and a few benches will be supplied this year and seats for spectators will have to come later. Herman Holbek, member of the committee in charge said.

The work of preparing the diamond progressed rapidly with the use of heavy machinery and those in charge are quite pleased with results.

The playing field lies northeast and southwest and is near the entrance.

There is room in the park for several more fields, but there is only money enough at this time to prepare the one. It will be accessible to all Antioch teams through reservation, but the Lions club had in mind a team they will sponsor when the money was invested.

The Veterans of Foreign Wars were given permission to construct the field last fall, but at that time didn't raise enough money to finance the work. The village board said then that any organization building the diamond must consider its use by other organizations because the park is public property.

Marianne's to Furnish Ensembles for Winners of Contest for Queens

Marianne's of Antioch and Libertyville has donated a complete ensemble for the two winners of the Chain O' Lakes beauty queen contest to be held Saturday evening at the Coronation dance at the Armory in Waukegan.

More than two score of candidates, with Antioch providing a large share, will pass before Chicago experts who will select one to rule as Miss Sports, and another as Miss Home during the Chain O' Lakes region Sports and Home show at Lake Villa June 20 to 26.

Besides the complete outfit the successful young women will receive \$100 in cash each if they appear nightly at the show.

The dance Saturday evening will feature Will Back's famous band of 12 pieces.

Seed Test Plot for Oats, Barley at L. A. Huebsch Farm Near Mundelein

A seed test plot for oats and barley has been set out at the L. A. Huebsch farm at Mundelein, Farm Adviser Ray T. Nicholas announced yesterday.

At the same time he said that a corn test plot will be established later in the month at the Park Allanson farm in the same community. Barley varieties to be tested are Wisconsin 38, O. A. C. Bay, L. Mountcalm, Moore and Oederbrucker. One patch of Wisconsin 38 was planted without fertilizer and another with ammonium nitrate at the rate of 250 pounds an acre. This plan was also adopted in the test of Clinton No. 11 oats, one patch being unfertilized and the other given ammonium nitrate. All other plots were given 2-12-6 proportions.

The oats plots included Andrew Beaver, Bonda, Mindo, Mohawk, Eaton, Clinton No. 59, and Clinton No. 11.

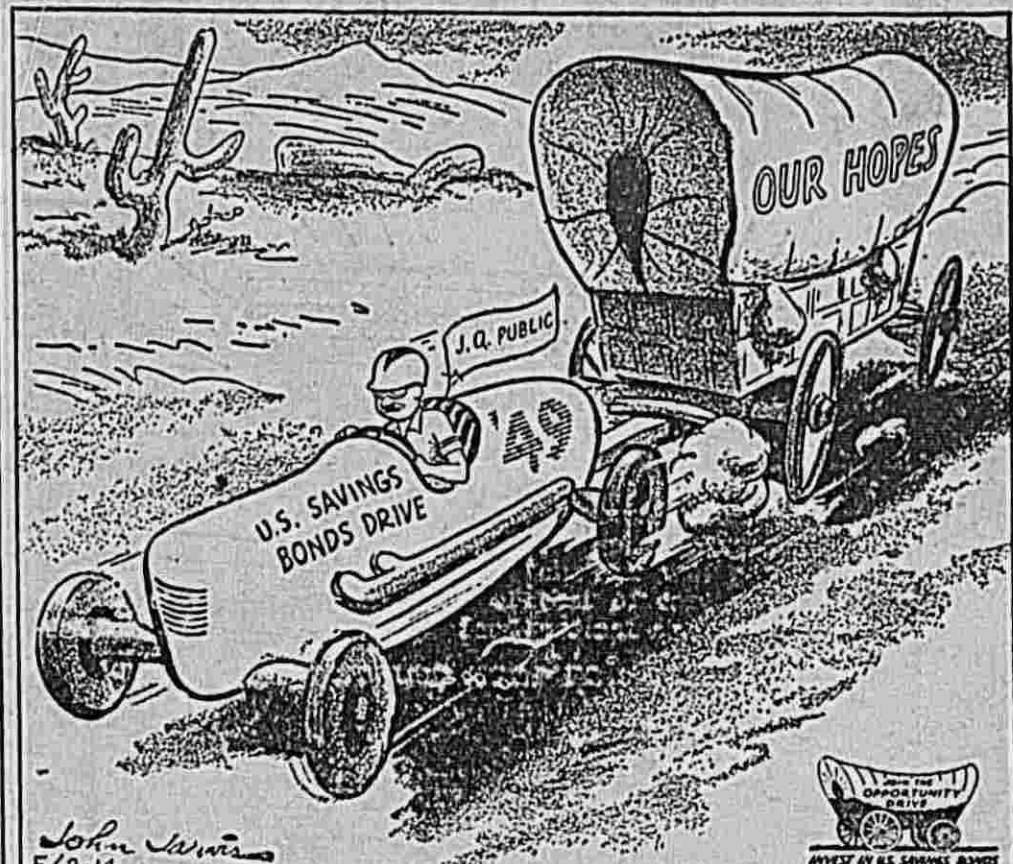

J. W. Pendleton, of the agronomy department, and Herman Washer of the soil department, college of agriculture, University of Illinois were here this week in planning the corn test plots. Each of the plots will be replicated, that means that there will be 20 hills of the 50 varieties tested, and that these 20 hill plots will be repeated four times in various parts of the land so as to escape any unusual local condition. The corn plot is a part of the state's seed testing program and will be watched with interest.

Conference Principals Meet

Principals of the Northwest High School conference meeting at Wauconda Tuesday decided to invite a music specialist from St. Olaf's college to direct the music festival next year. The festival will be held either the last week in April or the first week in May.

The principals decided against a conference track meet for freshmen and sophomores on the basis that the athletic schedule already is too heavy.

Antioch Loses Opening Conference Tilt to Ela, to Play Barrington Here

Ela Township High won for the second time this season in baseball over Antioch High Tuesday and the Sequoits started their conference standing with a loss. The score was 12 to 3.

The game Tuesday was similar to that of the week before in which the Sequoits had one bad inning. In Tuesday's game Ela made 9 runs in one inning, but thereafter was held on even terms.

Scott pitched a good game for Antioch and the avalanche of runs that Ela obtained in the fifth inning was mainly the result of misplays. Antioch will play Barrington here tomorrow; Wauconda there on Tuesday and Northbrook here the following Friday.

The score by innings Tues. was: Antioch 0 0 2 0 0 1 0—3 runs, 3 hits, 8 errors.

Ela 2 1 0 0 9 0 0—12 runs, 9 hits, 1 error.

Batteries, Antioch, Scott and Apantitis; Ela, Schwartz and Wendt. The Antioch Freshman-Sophomore team lost to the Ela underclassmen here yesterday afternoon.

Several Former Antioch Residents Among Missing Stockholders Due Money

Former residents of Antioch are among the 25,000 missing stockholders now being sought throughout the United States for large corporations so that they may receive accumulated dividend checks, cash surrender values or other interest due them.

If they cannot be found the money will go to their heirs.

Many persons believe the stock they hold is worthless and make no attempt to collect on it. One person even went so far as to paper a room with them, and when he learned their value, cut out a part of the wall in producing the certificate that brought him a neat sum.

The missing stockholders in this area are Alice C. Haynes, Lawrence A. Hoffman, Anna Hoffman, Harold G. Hoffman all of Antioch.

All information pertaining to these missing stockholders should be sent to Tracers Company of America, Division A, 515 Madison ave., New York City 22, N. Y.

Winners of Poppy Poster Contest Picked by Judges

Winners of the Poppy Poster contest conducted in Antioch by the American Legion were announced today by John Horan, Jr., chairman.

In class 1, Robert J. Jacobs was first; David Lewin, second and Sandra Lee Tegelman given honorable mention.

In class 2, Kenneth Buchta was first, Ronald Sarmon, second, with Eugene Baethke receiving honorable mention.

Elsie Hays, Steve Pacini and Clarence Shultis were the judges.

Shrum Pleads Not Guilty at Hearing in Waukegan Today

David Shrum, former Lake Villa grade school principal, charged with crimes against children, today pleaded not guilty before the Lake County Grand jury. No action was taken today on States' Attorney Harry A. Hall's request for an indictment.

V.F.W. Sponsored Ball Team Will Open Season Against Pleasant Prairie

The Veterans of Foreign Wars sponsored league ball team under the management of Jack Crandall will officially open the 1949 season Sunday, May 15, at 2:30 p. m. on the local high school ball field, against the Model Tavern of Pleasant Prairie.

The team has been working hard the past month to get in shape, and will be out to give the opponents a good game. This year a lot of new players have been added to the team, and combined with last year's team, it looks like a promising year ahead for the boys.

An invitation is being extended to all to come out and look the boys over Sunday.

Eighth Grade Pupils Are Guests of Antioch High At Get-Acquainted Day

Eighth Grade Day was observed at the Antioch Township High school Wednesday and 90 boys and girls from the area who will be eligible to enter high school next fall were guests of the Student council of ATHS.

The program started in the forenoon with a meeting in the auditorium at which presidents of various students organizations of the high school explained the purpose of their groups. The guests were divided in groups of 10 in visiting the various classes, and then were guests of the Student council at lunch in the cafeteria.

During the eighth period in the afternoon Principal T. R. Birkhead addressed the eighth graders in explaining manner of registration next fall. He then showed movies taken of school activities.

Pregenger's Resort and Antioch Gun Club Tie In Competitive Firing

The Antioch Gun Club held a contest last Sunday with six squads competing for prizes to be awarded to the squad scoring highest total of targets hit.

The winning squad with a total of 86:

William Brooks, Russell Drantz, Mike Haviland, James Kopriya and William Chase.

Winners will contact club officers for prizes, gun cases or the cash.

A contest also was held last Tuesday between a picked squad from Pregenger's Resort and a squad from the Antioch Gun club. Each squad won a round of 25 which makes it necessary to shoot out a tie on Tuesday, May 17, at Pregenger's resort.

Members of the Antioch squad were: Ed Vos, William Brooks, Roger Williams, Douglas Palm and Ben Van Duzer.

The Antioch Gun Club would like to have this squad contact club officers to arrange the exact time of the day they can be present.

Will Circulate Petitions

Petitions calling for a referendum in 1950 to decide whether Lake county will have a county health department will be circulated at the Chain O' Lakes Sports and Home show in June. The announcement of the plan was made recently in a county-wide meeting at Libertyville where Dr. Edward A. Piszcek, head of the Cook county health department was the speaker.

A statewide meeting of health executives will be held at the Karcher hotel in Waukegan, Sept. 9.

Lake County Polio Unit Now Needs Secretary; Dromey Again Chairman

John P. Dromey of North Chicago was re-elected chairman of the Lake county chapter of the National Foundation for Infantile Paralysis in the annual meeting recently.

Joseph J. Zorc, secretary for two years, resigned after submitting his final report. The report shows that with but one exception the March of Dimes fund was increased each year starting in 1939 until the original receipts of \$1,430.38 was boosted to \$41,027.78 this year.

Zorc said that because of the high carry-over of polio cases from previous years, Lake County dare not have a great outbreak of new cases this year. One case in Highland Park alone cost the unit \$7000.

The secretary last year was paid on the basis of \$100 a month for office work with the exception of the March of Dimes campaign when the salary was \$200 a month. He received, however, \$1,150 for the 12-month period.

The work of the unit with its many cases is now so great that a year-round part time secretary is needed.

Antioch Over Top In Cancer Fund Campaign, Lake Villa 88 Per Cent

Antioch was the second village in Lake County to go over the top in the Cancer Fund drive, Dr. Arnold E. Osterberg, of Waukegan, general chairman, announced this week.

Wauconda was first with 134 per cent and Antioch had 101 per cent, Mrs. E. J. McDougall is the local chairman.

The county as a whole has passed the four-fifths mark with collections totaling \$19,103.05. The goal is \$23,800.

Highland Park, with a total of \$4,660 reported, has reached the 93 per cent mark. E. J. Loewenthal, 257 Moraine ave., chairman, is confident that the quota will be exceeded by the end of this week.

Another community that has passed 90 per cent is Lake Forest, where Mrs. Donald P. Wells, 261 N. Ahwahnee rd., heads the campaign. It reported \$6,380, or 91 per cent of its quota.

The other large community with heavy collections is the Waukegan, North Chicago and Farnsworth area, where \$5,074.33 has been collected. This is 73 per cent of the quota. The Junior Chamber of Commerce is sponsoring the campaign in that area. It recently raised \$331.50 by means of a tag day and \$431.52 through a dance.

Other communities and percentages are: Lake Villa, 88%; Lake Zurich 82 percent; Lake Bluff, 65 percent; Highland 63 percent; Libertyville 58 percent; Deerfield 48 percent; Grayslake 47 percent; Zion 38 percent and Fox Lake 36 percent.

The drive was to have ended April 30, but was extended by Dr. Osterberg in order to give all the community chairmen time to complete their solicitations.

Senior Class Play Termed Successful Production

The Senior class play, "Tish", was acclaimed a successfully funny production by the people who attended. Although the crowd on Thursday was a small one, Miss Meiners, the director, considered it to be a very appreciative one. Friday's audience was much larger.

On Thursday the members of the class presented their sponsors, Miss Meiners and Miss McKinney, corsages of red roses. Between acts on Friday, the cast presented their director a bouquet of flowers and a lovely manicure set.

To Start Business Census

A force of eight persons headed by Thomas C. Thompson of Grayslake, will start May 15 taking the business census of Lake county. The headquarters will be at the post-office in Waukegan but the census takers will call upon business covering retail, wholesale, and service trades. The information will be strictly confidential and no persons, not even other departments of the government will have access to it.

Grant Beats Wauconda Here

Grant Township High school and Wauconda High used the Antioch High grounds for their dual track meet Wednesday afternoon. Grant won by a decided score.

Holbek Re-elected Head of Local Rescue Squad

Herman Holbek was re-elected captain of the Antioch Rescue squad for a 2-year term at a meeting of the squad Monday evening.

Walter Scott was made first lieutenant and treasurer; Charles Larsen was made second lieutenant; and Henry Rentner was elected secretary.

The squad has not yet made its decision on the new property, hoping that it can get a longer lease on the city property.

The Rescue squad continues to provide excellent service for the Antioch area. Its new truck is modern and through training the members are able to operate it efficiently.

Dr. Kidera Tells Lions Socialized Medicine is Dangerous for America

Dr. George Kidera, Berwyn, Ill., brother of Ed Kidera of Lake Villa told the Lions club that passage of a bill in congress socializing medicine and the medical profession would be a calamity both for the public and the doctors of America.

Kidera spoke at the club's luncheon meeting Monday evening at the Sponage on Rte. 21.

He decried the system as applied in England and showed that all incentive for specialization was killed by the law that specified in what area doctors would practice. The doctors, he said, agreed to the law when threatened to be moved from their location.

Dr. Kidera said that British doctors are given panels of perhaps 2,000 patients who are assigned to him for care. The more patients he cares for from this panel the more money he makes.

Dr. Kidera is flight surgeon for United Airlines.

Mrs. Mary Martin, 70, Dies in Libertyville

Mrs. Mary Martin, 70, Antioch Township, died May 6, at 5:25 at the Condell Memorial hospital, Libertyville, following a lingering illness. Born in Chicago she came to Lake County when a child where she lived all of her life. She was a member of St. Peter's church and of the Altar and Rosary Society.

Survivors are her husband, George, a daughter, Mrs. Helen Taveirne, Geneva, Ill., three sisters, Mrs. Tesse Cunningham, Mrs. Alice Gullidge and Mrs. Irene Campbell, all of Waukegan.

Funeral services were held Monday at 10 a. m. at St. Peter's church Interment Ascension cemetery, Libertyville.

Polo Season to Open at Arlington Farms Near Libertyville on May 22

Arlington Farms and the Waukegan Polo club, Lake county entrants in the International Polo league, major polo loop in the country, launched practice this week for a strenuous campaign at the Arlington Farms field, Buckley rd., at Rte. 63, Libertyville.

Len Bernard, president of Arlington, and William Grant, Waukegan president, called their players together on the huge practice fields for brief warm-ups Saturday and Sunday and then prepared for heavy scrimmages the later part of the week.

Arlington headed by the brilliant Del Carroll, high scorer for the powerful Libertyville club last year, and Waukegan open the season May 22.

New facilities have been added to the spacious layout and work is underway at the field to handle the huge crowds expected to watch the rough and tumble this summer.

With crowds as high as 15,000 polo became the outstanding sports attraction in Lake County last year, and with two county entrants in the loop this year, interest is expected to be even greater.

F. F. A. and 4-H Exhibits At Lions Carnival Here

A new feature of the Lions Carnival this year will be a 4-H and F. F. A. show.

Boys and girls from the Antioch area would be permitted to exhibit products of their project work and will be given awards it was said. C. L. Kutil, on leave of absence from the Antioch Township High school, will be in charge.

The carnival will be at the Ackerman field Aug. 25 to 28.

Public Invited to See Scout Displays at Merit Badge Exhibition Sat.

300 Scouts and Cubs of Dist. To Gather Here at Annual Show

Scout troops and Cub Packs from the northwest district will gather here in large numbers Saturday afternoon at their annual Merit Badge show which will be held from 1 to 9 p. m., at the Antioch Township High school.

It will be achievement day for some 300 boys who will take delight in showing the results of their craftsmanship.

The program will start with a parade from the Scout House to the school at 1 p. m. There the public will have opportunity to see handicraft work displayed in booths.

The Antioch troop will show aviation and first aid. Others will show photography, metal crafts, electric equipment, poultry, camping, pioneering, cycling, wood carving and archery.

Troop 91 of Antioch will provide lunch at noon to 100 visitors and for the evening meal will be able to serve 350 persons.

Most of those attending will be Scouts, but adults are urged to go and see what the boys are doing.

Women Bowlers Close Successful Season in Banquet at Mehring's

The Antioch Women's Bowling league brought its 1949 season to a close Tuesday evening in its ninth annual banquet served at Mehring's resort at Lake Marie.

In the election of officers Ruth Gaston was named president of the Handicap league and Louise Fernandez president of the Major league.

Other officers chosen were: Handicap league, M. Walsh, vice president; I. Cook, secretary; C. Zuehlis-dorf, treasurer; M. Cook, sergeant at arms; Major league, F. Strameitz, vice president; D. Ferris, secretary; A. Rogers, treasurer; and H. Beduhn sergeant at arms.

Teams in the Major league finished in the following order: Antioch Recreation, Blum's, Bussie's, Barnstable and Brogan, Reeves's and The Stork.

McHenry Carpenter Hurt in Fall at St. Peter's School Building Monday

Jerome Tonyman, 35, of McHenry, while working as a carpenter on the new St. Peter's school building, fell Monday afternoon and crushed his right leg at the hip.

Tonyman was on a scaffold and fell a distance of 12 feet alighting on the second floor. His hammer in his hip pocket contributed to the injury for he fell on it and a brick.

The injured man was taken by the Antioch Rescue squad to St. Theresa hospital where the fracture was reduced by Dr. D. N. Deering. Tonyman is a cousin of the contractor in charge of construction of the school building.

Jim Still Entertains 'Em

Walter Palmer, Illinois Sports association title holder, won two of three falls from James McMillen at the Moose matches in Waukegan Saturday. Palmer upset McMillen in 16 minutes for the first fall, and then was thrown in 9 minutes by McMillen for a tie. This was broken 10 minutes later when McMillen disqualified and the bout was given to Palmer.

Freezer Demonstration May 25

A demonstration of the use and accomplishments of home freezers will be demonstrated May 25 from 1 to 3 p. m., at the Antioch Township High school. The demonstration will be given by R. Cooper, Jr., General Electric district agent, Chicago, under the auspices of the home economics department. All homemakers in the Antioch area whether they have children in school or not are invited.

Make Hospitals Safe

The ghastly hospital fire which occurred some weeks ago at Effingham, Illinois, shocked the nation. In the disaster 74 of the 128 adults and children who were in the building when fire struck, died. Most of the remainder were painfully injured.

Nothing can be done for the victims. But this hospital fire, like the terrible hotel fires which took place in Chicago and Atlanta, should be the signal for a national movement to make such structures as safe as is humanly possible.

In doing that, the experts are ready to guide us. The National Board of Fire Underwriters, 85 John Street, New York City 7, has issued two special publications and an inspection form for the use of hospital managements. The first of these, called "Rules for Safety of Hospital Patients in Case of Fire," gives detailed procedure for evacuation and the conduct of personnel.

The other, "Fire Prevention and Protection as Applied to Hospitals," is based on engineering studies of hospital fires over a 10-year period. It shows that dangerous construction features such as open shafts and stairs are the principal cause of the rapid spread of fire. It points out both common and special hazards and shows how they may be corrected. The inspection form, which has been endorsed by the American Hospital Association, acts as a guide to management in improving and maintaining fire safety.

Any hospital which lacks these safety "tools" should obtain them at once—and then make full use of them. The Effingham tragedy must not be repeated.

War Tax Penalties

During the war, nearly eight years ago, a 15% tax was added to all train, bus and plane fares, principally to discourage civilian travel.

It was not the primary purpose of the tax to raise revenue. The original reason for imposing it has long since ceased to exist. Like all taxes, once they have been established, it is almost impossible to get rid of them.

Today this penalty on travel not only works a

hardship on commercial carriers at a time when business is slowing up, but it is affecting vacation travel and all activities which benefit from tourist business. It is a burden on parents of students who are traveling to school; on people visiting relatives; on people who must travel because of illness in the family; accidents and death; on individuals attending conferences and business meetings of various kinds, and on traveling for health and recreation.

The tax has been repealed to foreign countries receiving Marshall Plan aid. Several weeks ago Canada, which imposed a similar 15% tax during the war, dropped it.

Reasons for repealing the penalty tax on personal travel apply with equal force to the three per cent tax on freight shipments. Such a tax is discriminatory to the common carriers by rail or highway because shippers who buy their own trucks and furnish their own transportation, escape it. It penalizes producers who must ship their products long distances to markets in competition with those situated closer to consumers.

It is high time the people begin to demand that wartime taxes and restrictions be eliminated in favor of peacetime policies that tend to encourage industry and payrolls. A good place to begin is to remove the wartime penalty tax on all such necessities as passenger and freight rates.

In 125 Years

Less than 125 years ago a locomotive was operated experimentally on a half-mile circular track at Hoboken, New Jersey. This was the first iron horse to run on rails in America.

Last year, the railroads of the United States spent \$1,250,000,000 for additions and betterments alone—the largest sum ever spent in one year for such purposes. Close to 400,000 miles of railroad track was in service.

The century and a quarter of time that elapsed between those dates saw the building of this continent. It saw a weak, backwoods nation, with small standing in the councils of the world, develop into the mightiest economic power on earth. It saw the standard of living of a swiftly growing population reach unprecedented heights.

The most spectacular early achievement of the railroads was the part they played in the winning of the West. Without them the frontiers could never have been pushed back, and a vast empire put to productive use. Every time a mile of rail was laid, civilization moved forward by that much. And when, finally, the two oceans were linked by bands of steel, a unified nation was in the making.

In the vast panorama of history that has followed, the role of the railroads has been equally important. They have served the country magnificently in great wars, in which transportation was an indispensable weapon of victory. In times of peace they have been the faithful ally of industry, agriculture, labor, the consumer—all of us. Nothing has ever been devised that could take their place as the basic means of moving the endless commerce of America.

The Rev. T. E. Rodd announces the sermon topic, "Once to Every Man" for the worship service at the Community church next Sunday, May 15, at 11 a. m. You are welcome. The Mother's Day service last Sunday was made more beautiful by the music furnished by the junior choir under the direction of Mrs. Brown, and by the carnation corsages for the mothers, which were furnished by the church school. The Junior choir did exceptionally well.

The Woman's Society of Christian Service will meet Wednesday afternoon, May 18, at the church for dessert luncheon at 12:30, followed by regular meeting and installation of officers. Mrs. Marie Hamlin has been elected president and Mrs. Ida Somers as vice president. Mrs. Martha Dunbar holds over as secretary and Mrs. Helen Weber as treasurer. If you have not already turned in your Easter envelope, please do so at the next meeting.

The W. S. C. S. has set the date of Wednesday, June 15, for the Mother-Daughter banquet at the school gym so as not to conflict with any of the various school activities, and hopes that many mothers and daughters may be able to attend this very nice affair.

The Girl Scouts under the direction of Mrs. Herman Meinersmann presented two one-act plays, "A Stone in the Road" and "A Date for Bobbysoxers," at the school gym last Saturday evening to help raise funds for their work and did very nicely. Mrs. Meinersmann and the girls are to be commended.

Henry Nader has started a new house just south of the Charles Hamlin home on the Delbert Sherwood property and has the foundation ready for a one story building with attached garage. He and Mrs. Nader have lived in Kenosha for some time, but as he is employed here, they decided to locate here.

Mr. and Mrs. Elroy Balfanz were in Evanston last Sunday to spend the day with Mr. Balfanz' parents and other relatives.

Mr. and Mrs. Arthur Haley returned last week from a very pleasant two weeks' vacation spent in Florida.

Clarence Blumenschein suffered a heart attack at his home last Saturday night and the fire department was called out with the inhalator. The attack was not so severe as he has had and he is recovering nicely.

Mr. and Mrs. Edwin Kapple and children, Mr. and Mrs. Charles Rothers and children of Chicago and Mr. and Mrs. Edwin Krook and daughter of Waukegan were Sunday guests at the Albert Kapple home.

Mr. and Mrs. Ed. Hogle of Waukegan spent Sunday with their mother, Mrs. Martha Daube.

William Hook, son of Mrs. Mary Hook and the late William Hook, was married last week to Miss Charlene Jorgensen of Antioch and are living with Mrs. Hook. A shower in honor of the bride was held last week at the Howard Sherwood home. Mr. Hook is employed at the Public Service company office here and we extend congratulations.

The new village board held its regular meeting last Monday evening at the village hall and the recently elected president of the board, Ray Kerr presided. New members taking their places were Russell Brumfield and Paul Williamson, and Fred Bartlett was re-elected. Those holding over are Kaurin Karolius, Zens Zenor and Frank Slazes. Charles Hamlin, who

More Life for Broom
To make brooms last longer, soak them in hot water and let dry before using. Repeat from time to time. If the broom is stood on the handle instead of the straw, this too, will help to preserve the broom's life.

New Dust Mop
A new aid to the housewife is a cotton cover using a mop fringe for its bottom. The cover fits over the bottom of a broom to form a dusting mop for walls and ceilings. The bag-like cover can be snapped into place very easily, or removed for washing.

Care of Towels
The way to prevent "long corners" on towels and an aid to folding them when dry, fold all towels lengthwise before hanging on the line.

"Milk and Honey"
The proverbial milk and honey diet will provide adequate amounts of calcium, phosphorus, thiamine, riboflavin, ascorbic acid, pantothenic acid, nicotinic acid for adults.

Inventor Protected
United States patents are granted only to the actual inventors. In many other countries, the first to apply, regardless of the fact that he may have pirated the idea from someone else, may receive a patent.

Labrador Ore
High grade ore deposits have been discovered in Labrador which may rival the Mesabi range. The new iron ore discoveries lie astride the Quebec-Labrador boundary.

British Potatoes
Most of the potatoes grown in Britain and in many other parts of the world, including a number of varieties cultivated in Europe, are Scottish in origin.

Painted Floors
To keep the glossy finish on painted floors, walls, and woodwork, substitute a little powdered glue for soap the next time they are washed.

Alaskan Insect Control
Federal entomologists are continuing their wartime research for protection of military forces in Alaska from the teeming hordes of insects that are a tortuous feature of the short Arctic summer.

James Figg
One of England's great athletes was James Figg, renowned as the originator of bare knuckle fighting. He was also a swordsman of ability and a fine wrestler.

Bruised Apples
Serious losses to apple growers occur because of bruising of fruit.

Unrefrigerated Farms
Ohio has the smallest proportion of unrefrigerated farms, 2.4 per cent.

New Poultry Feed
Powdered hog hooft are reported to have value as a poultry feed.

MODERN TRACTOR POWER FOR SMALL FARMS...

THE NEW MASSEY-HARRIS

Pony

The new 1-plow Pony... the latest addition to the famous Massey-Harris tractor family. Now, top tractor performance for even the smallest farm. It's a husky little tractor with plenty zip to do a faster, easier job of your work. And you'll like the complete line of mounted tools to go with the Pony... everything you need for a good, clean job of plowing, discing, planting, cultivating or mowing.

The Pony is just what small acreage owners have been waiting for... the lively power you need for fast, efficient farming... more profit from your operations. And those fast working tools mean stepped-up production... a better job of all your work. They're easy-on and easy-off implements—that save time even before you get into the field.

Come in soon. Let's talk over the advantages of a Massey-Harris Pony on your farm.

American Legion Auxiliary Hold Poppy Day May 28th

Mrs. John Horan, Jr., Poppy chairman for Antioch Unit No. 749 and her committee are deep in Poppy Day plans. Poppy Day will be May 28th.

The little red flowers, replicas of the Flanders Poppy, assembled by hospitalized veterans throughout Illinois for months past are ready, awaiting May 28th, when every man, woman and child in Antioch will be asked to wear one in memory of America's heroes, living and dead.

The proceeds from the annual sale of poppies are used exclusively for service to veterans and their families and for community emergencies.

Mrs. Lucy Himens, Unit president wishes to remind the public that the hospitalized veterans, many of whom will live within the hospital walls for their remaining years, are the only paid workers in the Auxiliary's poppy program and that the remuneration received during poppy making time is the only means of making extra money for many disabled men and women.

The American Legion auxiliary sponsors an annual Poppy Poster contest so arranged that pupils of all ages may take part. The winning posters in each class will be entered in the Department contest at the state convention in August. State winners will be entered in the national poppy poster contest at Philadelphia.

In selling the Memorial Poppy the members of the American Legion auxiliary perpetuate the memory of heroes gone, with service to the living.

Library Notes

Occasionally a book is published which needs little advertising by commercial means. People who have read the book discuss it with their friends and neighbors and a word of mouth campaign boosts its readers into the millions. Because of this such books as "The Fountainhead", "Arrowsmith" and "Knock on Any Door" will continue to be read long after many a current best seller has been forgotten.

Several of Pearl Buck's novels have achieved this eminence. Her latest book, "Kinfolk," does not have the serenity and tradition of "The Good Earth." It reflects the upheaval brought to China by the long years of war. The Liang family are almost as American as they are Chinese. When they return to China after many years in the U. S., they are appalled by the chaos, corruption and filth of their homeland.

John P. Marquand has greatly enhanced his reputation as a first class satirist with "Point of No Return". He holds a mirror to the foibles, tensions and triumphs of modern life. His story of Charles

Gray, New York banker, is the shrewdest picture of American middle class life since "Main Street."

In his new book "Target: You", Leland Stowe points out the power of the American people to maintain our democratic government. He examines the dangers of communist and fascist totalitarianism and points out its symptoms and methods. The book closes with an appeal for world government through world law.

Sylvester Says:

"Do you believe I'm Santa Claus? I'd like to deliver this house to you at low cost, but—

About \$2500. of this \$10,000. house is tax costs. Since 1939 about \$1,250. in taxes have been added to the cost of this house."

Senator Byrd of Virginia suggests some places to cut government costs that will save you some money.

Salaries for Federal employees—now 7 billion dollars; grants in aid 2 1/2 billion dollars; in public works underway or proposed—80 billion dollars; yearly interest on trust fund reserves—1 billion dollars.

Meaningless, isn't it, except that it's your money that's being spent, and it's your living costs that are going up.

Oh yes, if all low-income families are housed in public units under present social planner recommendations, it will cost an additional 150-200 billion dollars.

Do you still believe in Santa Claus?

Cancer Research
Atomic energy commission has granted, through the office of naval research, a fund to the University of Delaware for continued research by Dr. Mary A. Russell on a project with potential significance in cancer control. The project involves a comparison of the effects of x-rays, neutrons and mustard compounds on the growth and development of corn seedlings.

Legend of Butter
Buried butter was once an indication of wealth. It is said that a tree was often planted over the butter in order to identify the place, and under these conditions the tree turned red.

In Washington's Time
In the days of Washington and Lincoln most people raised their own grain and either ground it themselves or had it ground at a nearby gristmill. The housewife used fresh whole-grain flour to bake the bread and rolls for her family. In this way, practically all the vitamins and minerals of the grain were present in the homemade bread.

Antarctica
Antarctica, almost as large as South America, is higher above the sea than any other continent. It averages about 6,000 feet. Directly at the South Pole, the continent is about 9,000 feet above sea level.

Feeding Dairy Cows
A good job of feeding dairy cows means feeding according to the amount of milk produced.

Repeat Stingers
Wasps, hornets and yellowjackets can sting repeatedly. Only the bee leaves its sting in the wound.

Liquid Ammonia
Use of liquid ammonia as a source of nitrogen for fertilizing crops is increasing.

Storing Cabbage
Cabbage should be stored on slatted shelves or in slatted containers in a cool cellar.

MRS. F. P. SMALLWOOD of Decatur — one of the 65,000 people in Illinois Bell territory who derive all or part of their income by investing savings in the telephone business.

MISS DONNA SMITH of Chicago — one of 44,000 employees who earn a livelihood from this business.

SPRINGFIELD, the capital of Illinois — one of the 337 communities that are served by the Illinois Bell Telephone Company.

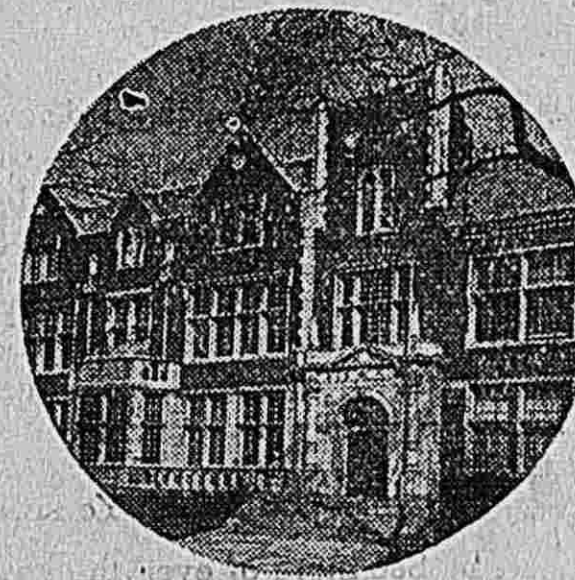

MR. RALPH M. KELLY of Waukegan — one of about 7,000,000 people who use Illinois Bell telephone service.

MR. JOSEPH YANSEK of Gary, Indiana — one of many thousands of local businessmen who benefit from Illinois Bell's \$144,000,000 annual payroll.

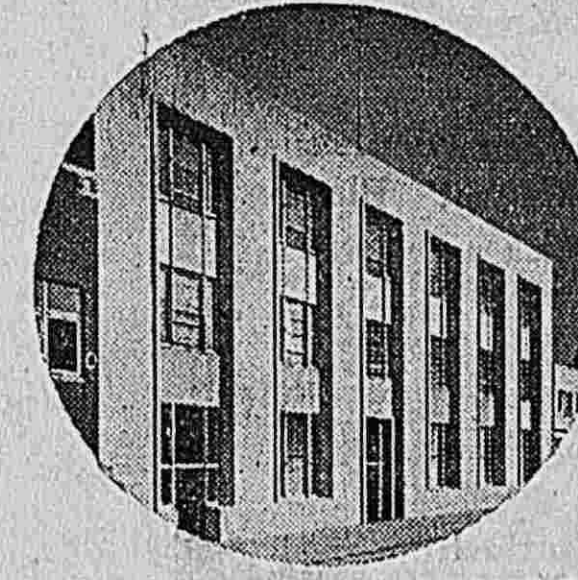

BOBBY HILL of Peoria — one of countless numbers of people who receive volunteer guidance from civic-minded Illinois Bell employees.

ROGER SULLIVAN HIGH SCHOOL in Chicago — one of about 1,500 schools financed in part by the \$17,000,000 of local and state taxes Illinois Bell pays annually.

LITTLE DeETTE CASE of Chicago — one of many people whose lives have been saved by the quick thinking of Illinois Bell employees in emergencies.

THE ROCKFORD TELEPHONE EXCHANGE — one of over 250 Illinois Bell telephone buildings that are a source of civic pride in every community.

Who has a stake in the telephone business?

A surprisingly large number of people, when you think about it. Few businesses mean so much to the welfare of so many people as a financially healthy telephone business.

**HIGHER
ANTI-KNOCK**

THE New **D-X**

Lubricating

MOTOR FUEL

Now Produced by Catalytic Cracking

There's the secret of higher anti-knock in the New D-X Lubricating Motor Fuel. Now D-X is produced by the famous catalytic cracking process—miracle of modern gasoline chemistry. The result is a motor fuel that takes hills in its stride... without knocking. Your new car needs the New D-X Motor Fuel. And it's a great tonic for older models.

Still With The "Extra" of U. C. L.

Upper-Cylinder Lubrication is still an important "extra" in the New D-X. But now the top quality protective upper-cylinder lubricant is scientifically blended with a higher anti-knock, high octane gasoline to produce an even better D-X Lubricating Motor Fuel.

MID-CONTINENT PETROLEUM CORPORATION 4-3C

Try a tankful today. See for yourself what a difference the New D-X or D-X Ethyl with its higher anti-knock can make in your driving.

Now D-X MOTOR OIL CONTAINS **EXTRINOL**

Extrinol is the "extra" that is added to D-X to make it a tougher, safer motor oil. Combine the greatest "extras" in motoring

by using D-X Lubricating Motor Fuel and D-X Motor Oil with Extrinol. Get extra performance and protection at no extra cost.

HUNDREDS OF GASOLINES — HUNDREDS OF MOTOR OILS — but only one D-X

White sidewall tires, as illustrated, available at extra cost.

**Here's Comfort
with a capital**

"SEE"

LOOK at its clean and sweeping lines so unmistakably Buick—the room expressed in its broad beam—the level-going smoothness shown in its sizable length.

Now — slip in. Settle back. Take in the spread-out room everywhere—even to extra room overhead from super-soft seats that cradle you deeper.

Then notice this: You can really see!

See more of everything easier—through its higher and wider windshield set in narrower corner posts—through its deep side windows, and its one-piece rear window that makes parking and backing up so much simpler.

Your whole outlook is broadened and driving becomes safer and more fun because high visibility here goes along with comfort.

So do plenty of other things—like

Dynaflow Drive,* lively Fireball power, coil springs all round, and big soft tires, and extra-wide rims for comfort with safety.

And all at prices that make this beauty the buy of the year!

See for yourself at the nearest Buick dealer's, where you will find your dollars buying so much you'll get your order in fast.

BUICK alone has all these features

Silk-smooth **DYNAFLOW DRIVE*** • **FULL-VIEW VISION** from enlarged glass area • **SWING-EASY DOORS** and easy access "LIVING SPACE" INTERIORS with Deep-Cradle cushions • Buoyant-riding **QUADRIFLEX COIL SPRINGING** • Lively **FIREBALL STRAIGHT-EIGHT POWER** with SELF-SETTING VALVE LIFTERS plus **HI-POISED ENGINE MOUNTINGS** • Cruiser-Line **VENTIPORTS** • Low-pressure tires on **SAFETY-RIDE RIMS** • **DUREX BEARINGS**, main and connecting rods • **BODY BY FISHER**

*Standard on ROADMASTER, optional at extra cost on SUPER models.

MILLBURN

Rev. L. H. Messersmith has chosen "Is My Name Written There?" as the sermon topic for Sunday, May 15. Communion will be observed and the confirmation class will be admitted into church membership.

The members of the church board met at the church Wednesday evening.

The second meeting of the Millburn Maidens 4-H club was held at the Messner home Saturday afternoon, May 7. Anita Messner gave a demonstration of making Brownies. Donna Lee Ames demonstrated the correct way of measuring liquids,

flour and fats. Ruth Ann Haisma gave a talk on "What is a good drop cookie". Next week we are to make a batch of drop cookies and bring a sample to next meeting to be judged. The next meeting will be held at the Haisma home, May 21, at 1 o'clock.

Mrs. O. L. Hollenbeck, who has been at the Grant home in Edison Park, following her sister's illness returned home Friday for a few days. There is not much change in Mrs. Grant's condition.

Mr. and Mrs. Arthur Hauser of Kenosha, spent Saturday evening at the Frank Hauser home.

Mr. and Mrs. Ray Bock and daughter, Linda, of Chicago, and

Mr. and Mrs. Laurence Templeton and family, of Evanston, were callers at the J. S. Denman home Sunday afternoon.

Mrs. Daisy Webb, of Waukegan, spent Sunday with her daughter, Mrs. George Murrie.

Mark Edwards, of West Chicago, spent Saturday at the Webb Edwards home.

The John Edwards family of Libertyville were callers at the Frank Edwards home Sunday afternoon.

Mrs. Ardie Fagan, of Woodward, Ia., is visiting at the home of her daughter, Mrs. Arthur Myers.

Rev. and Mrs. Messersmith and Mr. and Mrs. Joseph Strohal were dinner guests at the Charles Lucas home on Mother's Day.

Misses Margaret Hughes, Myron Gaddie and Edith Knight, of Chicago, spent Sunday at the A. G. Hughes home.

QUICK FACTS ABOUT DRILL PLANTING

AND THE
New MASSEY-HARRIS

SEMI-MOUNTED NO. 233
Get the facts about drill planting! You'll agree it's time you bring your planting up-to-date with a new Massey-Harris Drill Planter.

1 • PLANT FASTER! Up to 6 m.p.h. 45 acres a day with the 2-row planter.
2 • NO CHECK-WIRE and no stakes to bother with.
3 • CULTIVATING IS EASIER—No bouncing and bumping over cross rows.
4 • FASTER, EASIER HARVESTING—Your picker or binder takes a steady stream of single stalks instead of slug after slug of tough bunches.

Semi-mounted design with single-point hitch makes the new No. 233 amazingly quick and easy to hitch or unhitch. Actually takes less than a minute.

BIG FERTILIZER HOPPERS
Less stops for refilling! Fertilizer hoppers hold 85 pounds... place fertilizer in two bands alongside seed at same depth as seed. Gives your corn an early boost to beat the weeds!
